

Silent Observations

INT. KITCHEN - MORNING

A coffee machine drips steadily, filling the air with a rich aroma.

EXT. FRONT STOOP - MORNING

JAMES

sits, wrapped in contemplation. The mug in his hand contrasts with the cigarette, both offering a sense of comfort. The street in front of him is a symphony of car horns and distant chatter.

YOUNG WOMAN

leans out of her car window, her voice lost in the cacophony.

KID

weaves through the cars on a skateboard, making it look easy.

ELDERLY NEIGHBOR

strolls by with her tiny dog, giving James a nod.

ELDERLY NEIGHBOR

Busy morning.

JAMES

sips his coffee, the world continuing its dance in front of him.

Just another day.

CUT TO BLACK.
